**Points are awarded:**

5 for a Win; 3 for a Draw; 2 for a Loss with half or more than half of the winning number of goals

1 for a Loss with less than half of the winning number of goals

If a game is scratched, the 'losing' team will receive 1 point and no goals. The 'winning' team will be awarded 5 points plus 15 goals (this is based on the average difference in score)

If at the end of the leagues teams have the same number of points, winners will be decided by goal difference in the first instance. If there is still a draw then goals for will be considered.
