UMPIRING, SCORING and TIMEKEEPING

- The Coordinator/Timekeeper for each game is stated on the fixtures will be responsible for timekeeping to ensure the games are run to schedule. At Picky timekeepers should make themselves known to the umpires and place themselves the middle of the two courts to ensure both games start on time and to schedule.
- Timekeepers should have a loud and clear voice when starting/stopping the games.
- Each team **must** provide one scorer, one umpire and one coordinator/timekeeper as required on the fixture list. This may be someone from their team or they may ask someone from another team.
- When sourcing umpires, the list of volunteers will be on the Netball Orkney Team White facebook group. We ask that a person should not umpire if they are not confident with the game in question – every game should be treated as if it were a league decider, and equally, that people would assist others where they are seeking.
- In the instance that teams do not provide scorers / umpires as required, Netball Orkney has the right to penalise the team in question.
- Both scorers **must** stand/sit together at courtside, to reduce the risk of disputed/incorrect scores.
- Scorecards will be provided by Netball Orkney. There are small clipboards for Court 2 at Picky.
- Scorers will be responsible for collecting the appropriate score card from the coordinator or league box.
- Scorers should print both umpires names on the score cards.
- The **Captain or Vice-Captain of both teams** are responsible for providing the scores (or details if scratched) to Cheryl Kelday within the 'Netball Winter League' Messenger group or by email to cheryl410@hotmail.co.uk **on the evening** of the match. The paper score cards should then be put back in that week's envelope which will be collected on the next week she is playing at that particular venue, so that there is a record of the results. **Please make sure this is done so that an accurate league table can be published.**
- Any equipment e.g. whistles, pens, balls should be collected from and returned to the league resource box.
- For hygiene reasons you are asked that umpires purchase their own whistle. Whistles are available from KT sports or finger whistles can be purchased from www.netballuk.co.uk
